

SPARE PART LIST

Rolling Diaphragm Rotary Actuator Type R

ET019.056 EN

Standard sizes	R110, R150, R200, R250
Sizes with reinforced springs	R110v, R150v, R200v, R250v, R250vv

When ordering spare parts, please specify:

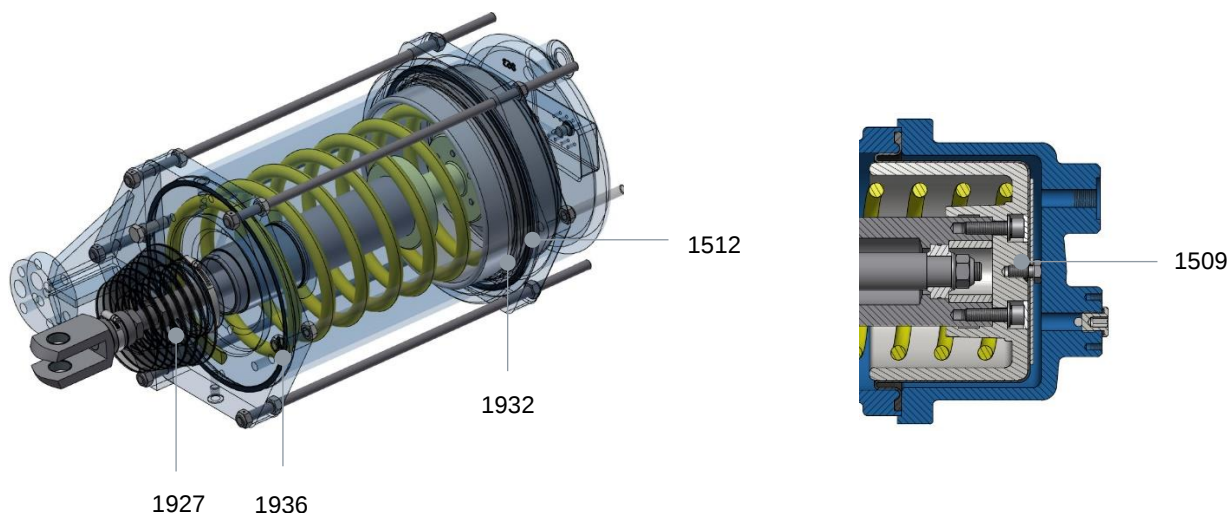

- ▶ VETEC order number (indicated on the name plate)
- ▶ Actuator size (indicated on the name plate)
- ▶ Spare part number (indicated in the enclosed drawing)
- ▶ Spare part designation (indicated in the enclosed drawing)

The actuators are maintenance free. However, they are subject to natural wear, whose intensity depends on the operating conditions.

Use only original parts from VETEC Ventiltechnik GmbH.
